Independent Auditor's Report

To the Members of New Zealand Fire Service Superannuation Scheme

Opinion	We have audited the financial statements of New Zealand Fire Service Superannuation Scheme (the 'Scheme'), which comprise the statement of net assets as at 31 March 2023, and the statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.
	In our opinion, the accompanying financial statements, on pages 4 to 17, present fairly, in all material respects, the financial position of the Scheme as at 31 March 2023, and its financial performance and cash flows for the year then ended in accordance with New Zealand Equivalents to International Financial Reporting Standards ('NZ IFRS') and International Financial Reporting Standards ('IFRS').
Basis for opinion	We conducted our audit in accordance with International Standards on Auditing ('ISAs') and International Standards on Auditing (New Zealand) ('ISAs (NZ)'). Our responsibilities under those standards are further described in the <i>Auditor's Responsibilities for the Audit of the Financial</i> <i>Statements</i> section of our report.
	We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
	We are independent of the Scheme in accordance with Professional and Ethical Standard 1 International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards), and we have fulfilled our other ethical responsibilities in accordance with these requirements.
	Other than in our capacity as auditor and the provision of taxation advice, we have no relationship with or interests in the Scheme. These services have not impaired our independence as auditor of the Scheme.
Key audit matters	We have determined that there are no key audit matters to communicate in our report.
Other information	The Directors of the Trustee are responsible on behalf of the Scheme for the other information. The other information comprises the information in the Annual Report that accompanies the financial statements and the audit report.
	Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
	Our responsibility is to read the other information and consider whether it is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If so, we are required to report that fact. We have nothing to report in this regard.
Directors of the Trustee's responsibilities for the financial statements	The Trustees are responsible on behalf of the Scheme for the preparation and fair presentation of the financial statements in accordance with NZ IFRS and IFRS, and for such internal control as the Directors of the Trustee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.
	In preparing the financial statements, the Directors of the Trustee are responsible on behalf of the Scheme for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors of the Trustee either intend to liquidate the Scheme or to cease operations, or have no realistic alternative but to do so.
Auditor's responsibilities for the audit of the financial statements	Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the External Reporting Board's website at:

https://www.xrb.govt.nz/assurance-standards/auditors-responsibilities/audit-report-2

This description forms part of our auditor's report.

Restriction on use

This report is made solely to the Scheme's members, as a body. Our audit has been undertaken so that we might state to the Scheme's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Scheme's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. Scheme Description

New Zealand Fire Service Superannuation Scheme (the "Scheme") is a restricted workplace savings scheme registered in New Zealand under the Financial Markets Conduct Act 2013 ("FMCA") to provide eligible employees of Fire and Emergency New Zealand ("FENZ") with benefits on their retirement or otherwise ceasing service. The Scheme was was established and is governed by the Trust Deed.

The registered office of the Scheme is: c/- Mercer (N.Z.) Limited, P O Box 2897, Wellington 6140, New Zealand.

There are two classes of members - Active and Deferred. The members and FENZ both contribute to the Scheme to fund benefits.

Membership movements during the year ended 31 March 2023 were:

	Active	Deferred	Total
1 April 2022	1,950	211	2,161
New Members	106	-	106
Loss of Physical/Medical Fitness	(5)	-	(5)

Retirements	(7)	-	(7)
Retrenchment	(1)	-	(1)
Death	-	(1)	(1)
Transferred to Deferred	(41)	41	
Transferred to other Schemes	-	(1)	(1)
31 March 2023	1,983	231	2,214

Funding Arrangements

New Zealand Fire Service Superannuation Scheme is a defined contribution scheme. Under the Trust Deed contributions are made by Scheme members and by FENZ.

During the year the rates of contribution were as follows:

• Member - regular contributions at rates between 6% and 11% of superable salary/wages dependent on the member's age and date upon joining as specified in the Trust Deed. Members may reduce or suspend regular contributions or make additional voluntary contributions subject to the Trustee's consent.

• FENZ - \$1.52 net of Employer Superannuation Contribution Tax for each dollar of regular contribution made by the member.

Retirement Benefits

The retirement benefits are determined by contributions to the Scheme, together with investment earnings on those contributions over the period of membership.

Termination Terms

The Trust Deed sets out the basis on which the Scheme can be terminated.

Changes in the Scheme

During the financial year the Statement of Investment Policy and Objectives ('SIPO') was updated on 22 September 2022 to reflect reference to the Trusts Act 2019 that replaced the Trustee Act 1956, rewording of some investment beliefs, and changes to the investment expectations for the Growth option, the Balanced option and the Conservative option.

2. Summary of Significant Accounting Policies

Basis of Preparation

The financial statements have been prepared in accordance with New Zealand Generally Accepted Accounting Practice ("NZ GAAP") and the requirements of the Financial Markets Conduct Act 2013 ("FMCA") and other relevant legislative requirements as appropriate for For-profit entities.

The financial statements are rounded to thousand dollars (\$'000). However, where specific amounts are referred to in the note wording, the figures are rounded to the nearest dollar. The prior year comparative numbers have been reclassified to align with current year presentation. This include rounding the prior year comparative figures to thousand dollars (\$'000).

Statement of Compliance

The Scheme is a Tier 1 entity and, as such, the financial statements comply with New Zealand equivalents to International Financial Reporting Standards ("NZ IFRS"), other New Zealand Accounting Standards and authoritative notices as appropriate for For-profit entities. These financial statements also comply with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board.

New and amended standards adopted by the Scheme

There are no new standards, amendments to standards or interpretations that are effective, for annual periods beginning on 1 April 2022, that have a material effect on the financial statements of the Scheme.

Measurement Base

The measurement base adopted is that of historical cost modified by the revaluation of assets which are measured at fair values as at balance date.

Presentation Currency

These financial statements are presented in New Zealand dollars because that is the currency of the primary economic environment in which the Scheme operated.

Classification of Assets and Liabilities

New Zealand Fire Service Superannuation Scheme operates as a restricted workplace savings scheme. As such, the assets and liabilities are disclosed in the Statement of Net Assets in an order that reflected their relative liquidity.

Accounting Policies

The following are the significant accounting policies which have been adopted in the preparation of the financial statements:

Financial Assets at Fair Value Through Profit or Loss

The Scheme classifies its investments as designated at Fair Value through Profit or Loss. The financial assets are recognised and derecognised on the trade date where a purchase or sale was under contract whose terms require delivery within the time frame established by the market concerned, initially measured at fair value. Subsequent to initial recognition all Financial Assets through Profit or Loss are measured at fair value.

Gains or losses arising from changes in fair value of the Financial Assets through Profit or Loss category are presented in the Statement of Changes in Net Assets when they arise. Interest and dividends related to Financial Assets at Fair Value through Profit or Loss are recognised as part of the gains and losses presented in the Statement of Changes in Net Assets.

The fair value of financial assets is determined with reference to the unit prices calculated by the investment managers in which the Scheme holds financial assets.

The fair value of financial assets is determined using the last sale price ("exit" price) as calculated by the investment managers as at balance date.

Income Recognition

(i) Interest income is recognised as interest accrued using the effective interest rate method. Interest income is earned on cash and cash equivalents.

(ii) Gains or losses of Financial Assets at Fair Value through Profit or Loss are recognised in the Statement of Changes in Net Assets as disclosed above.

(iii) Dividends and distributions from unitised investments are recognised on a due and receivable basis.

(iv) Other income is recognised in the Statement of Changes in Net Assets when the Scheme's right to receive payment is established.

Foreign Currencies

Transactions in currencies other than NZ dollars are recorded at the rates of exchange prevailing on the dates of the transactions. At each balance date, assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the balance date. Gains and losses arising on retranslation are included in changes in the Statement of changes in Net Assets for the period.

2. Summary of Significant Accounting Policies (Continued)

Expenses

All expenses are accounted for on an accruals basis.

Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the period. Taxable profit differs from profit before tax as reported in the Statement of Changes in Net Assets because it excludes items of income or expense that are taxable or deductible in other periods and it further excludes items that are never taxable or deductible. The Scheme's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits are available against which deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance date and reduced to the extent that it is no longer probable that sufficient taxable profits are available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited in the Statement of Changes in Net Assets.

Financial Instruments

Financial assets and financial liabilities are recognised on the Scheme's Statement of Net Assets when the Scheme becomes a party to the contractual provisions of the instrument. The Scheme shall offset financial assets and financial liabilities if the Scheme has a legally enforceable right to set off the recognised amounts and interests and intends to settle on a net basis.

Derivative Financial Instruments

The Scheme's activities expose it primarily to the financial risks of changes in foreign currency rates and interest rates. The Scheme does not directly hold foreign exchange forward contracts and interest rate swap contracts. The Scheme does not use derivative financial instruments for speculative purposes. Hedge accounting has not been applied.

The use of financial derivatives is governed by the Scheme's policies approved by the Trustee, which provides written principles on the use of financial derivatives.

Changes in the fair value of derivative financial instruments are recognised in the Statement of Changes in Net Assets as they arise.

Sundry Creditors

Sundry creditors are not interest-bearing and are stated at their amortised cost.

Goods and Services Tax (GST)

The Scheme is not registered for GST and consequently all components of the financial statements are stated inclusive of GST where appropriate.

Statement of Cash Flows

The cash flows of the Scheme do not include those of the investment managers. The following are definitions of the terms used in the Statement of Cash Flows:

Cash and Cash Equivalents - comprises cash balances held with banks in New Zealand and overseas.

Operating activities - include all transactions and other events that are not investing activities.

Investing activities - comprise acquisition and disposal of investments. Investments include securities not falling within the definition of cash.

Promised Retirement Benefits

The liability for accrued retirement benefits is the Scheme's present obligation to pay benefits to members and beneficiaries. It has been calculated as the difference between the carrying amounts of the assets and the carrying amounts of the liabilities as at balance date. Accrued retirement benefits include amounts allocated to members' accounts and reserves.

Contributions and Benefits

Contributions and benefits are accounted for on an accruals basis.

3. Liability for Promised Retirement Benefits

Changes in promised retirement benefits for the year ended 31 March 2023:

	Member Accounts \$'000	FENZ Accounts \$'000	Reserve Fund B* \$'000	Total 2023 \$'000
Balance 1 April 2022	236,155	294,195	-	530,350

Balance 31 March 2023	226,957	275,556	-	502,513

Changes in promised retirement benefits for the year ended 31 March 2022:

	Member Accounts \$'000	FENZ Accounts \$'000	Reserve Fund B* \$'000	Total 2022 \$'000
Balance 1 April 2021	224,727	290,477	-	515,204
Contributions	8,894	13,064	189	22,147
Government Contributions	30	-	-	30
Member Deductions	(9)	-	-	(9)
Benefits Paid to Members	(17,091)	(7,559)	(189)	(24,839)
Income Allocated	6,934	10,883	-	17,817
	223,485	306,865	-	530,350
Deferred Benefit Transfers**	12,670	(12,670)	-	-
Balance 31 March 2022	236,155	294,195	-	530,350

* Includes the top-up reimbursement from FENZ.

** Deferred Benefit Transfers are where members leave employment of FENZ but retain their funds in the Scheme as Deferred Members.

Guaranteed Benefits

No guarantees have been made in respect of any part of the liability for promised retirement benefits (31 March 2022: Nil).

4. Vested Benefits

Vested benefits are benefits payable to members or beneficiaries under the conditions of the Trust Deed, on the basis of all members ceasing to be members of the Scheme as at balance date.

2023	2022
\$'000	\$'000
502,513	530,350

5. Financial Assets

The Scheme invests in the following:

	2023	2022
	\$'000	\$'000
Short Term Securities		
ANZ Wholesale Cash Fund	42,216	45,955

The Scheme invests in funds managed by ANZ New Zealand Investments Limited, First Sentier Investors (Australia) Investment Management Limited, Harbour Asset Management Limited, Mercer (N.Z.) Limited, Russell Investments Group LLC and Salt Investment Funds Limited which are all multi-rate Portfolio Investment Entities ("PIEs"). A prescribed Investor Rate ("PIR") of 28% has been applied to these PIEs. The Scheme also invests in a fund managed by Direct Capital IV Management Limited which is not a PIE.

Taxable gains and losses on PIE investments held where a 28% PIR is applied are taxable within the PIE fund, with any tax deducted/credited reflected in the valuation of investments as at year end. All PIE tax expense/credits are shown in the Statement of Changes in Net Assets as 'Income Tax Expense/(Credit)', with 'Gains/(Losses) on Financial Assets at Fair Value Through Profit or Loss' presented gross of any tax deducted.

10. Reserve Funds

Pursuant to the Trust Deed, the Trustee has established Reserve Funds. The Trustee may, at its discretion, apply part or the whole of the Reserve Funds.

Reserve Fund A consists of capital gains or losses, dividends, interest and other income or earnings derived from the investments of the Scheme. The Trustee may apply Reserve Fund A in any of the following ways:

- towards increasing or decreasing the retirement benefits for all members on an equitable basis;

- providing benefits other than retirement benefits for all members of the Scheme on an equitable basis; and

- payment of the expenses of administering the Scheme.

The Trustee's policy is to fully allocate all capital gains or losses, dividends, interest and other income or earnings derived in each financial year. Accordingly, Reserve Fund A currently has a nil balance.

Reserve Fund B consists of monies which have been derived from the following sources and are not specifically required or allocated for any other purpose:

- benefits forgone when members cease to be eligible to contribute to the Scheme;

- unclaimed benefits;

- other money not required for the payment of benefits under the Scheme; and

- any contributions made by FENZ pursuant to 2.1.2 of the Fourth Schedule of the Trust Deed.

The Trustee may apply Reserve Fund B in any of the following ways:

- providing any benefit that may be required in respect of any member of the Scheme pursuant to Clause 2.2.2, 3.2.2 or 4 of the

Third Schedule of the Trust Deed or any other benefits for all members of the Scheme on an equitable basis;

- providing personal benefits for members or their dependants in the case of hardship; and

- payment of the expenses of administering the Scheme.

Reserve Fund B currently has a nil balance.

11 Financial Instruments

The Scheme is involved with a number of financial instruments in the course of its normal investing activities. Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset and financial liability are disclosed in the accounting policies.

Fair Value

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their respective fair values, determined in accordance with the Scheme's accounting policy in relation to Financial Assets at Fair Value through Profit or Loss.

Hierarchy of Fair Value Measurements

The following table provides an analysis of financial instruments that are measured subsequent to initial value at fair value, grouped into levels 1 to 3 based on the degree to which the fair value is observable.

Level 1 - fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 - fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and

Level 3 - fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

31 March 2023

	Level 1	Level 2	Level 3	Total
Description	\$'000	\$'000	\$'000	\$'000
Financial Assets at Fair Value Through Profit or Loss				
ANZ Wholesale Cash Fund	-	42,216	-	42,216
ANZ Sovereign Bond Fund	-	12,741	-	12,741
ANZ High Grade Bond Fund	-	18,856	-	18,856
ANZ Wholesale International Property Securities Fund	-	22,471	-	22,471
Direct Capital New Zealand Equities	-	-	41	41

Harbour Asset Management Australasian Equity Fund	-	19,288	-	19,288
Mercer Emerging Markets Portfolio	-	23,706	-	23,706
Mercer Hedged Overseas Shares Index Portfolio	-	106,465	-	106,465
Mercer Overseas Shares Index Portfolio	-	79,266	-	79,266
Russell Investments Global Fixed Interest Fund	-	120,259	-	120,259
Salt Core NZ Shares Fund	-	19,813	-	19,813
Total	-	501,535	41	501,576

The majority of the financial assets above are classified as Level 2 as they are based on unit prices with Fair Value derived from inputs other than quoted prices in active markets. The Level 3 investment fair value measurement is derived from valuation techniques that include inputs not based on observable market data.

All financial instruments (except Direct Capital IV Management Limited) disclosed in these Financial Statements are categorised as Level 2 for both the 2022 and 2023 financial periods.

The Scheme invests in managed funds. The fair value is based upon unit prices calculated by the Manager of the fund.

The fair value of units is based upon a Net Asset Valuation using observable inputs of quoted security prices in active share markets and/or interest rates or yield curves which are observable at specific time intervals. The Net Asset Valuation of the fund may also include securities or derivatives which have inputs such as foreign exchange spot and forward rates and interest rate curves derived from quoted bond prices. The Net Asset Valuation may also have adjustments to reflect fees associated with the fund.

For unit prices, significant inputs into the calculation are market observable and are included within level 2.

There were no transfers between levels in the period.

Mercer Emerging Markets Portfolio	-	23,945	-	23,945
Mercer Hedged Overseas Shares Index Portfolio	-	116,448	-	116,448
Mercer Overseas Shares Index Portfolio	-	77,689	-	77,689
Russell Investments Global Fixed Interest Fund	-	124,885	-	124,885
Salt Core NZ Shares Fund	-	19,933	-	19,933
Total	-	531,550	385	531,935

Credit Risk

Financial instruments which potentially expose the Scheme to credit risk consist of cash and receivables and, indirectly, investments in unitised products which invest in cash and fixed interest investments. The maximum exposure to credit risk is the carrying value of these financial instruments. The significant counterparties of the Scheme are its investment managers: ANZ New Zealand Investments Limited, Direct Capital IV Management Limited, First Sentier Investors (Australia) IM Limited, Harbour Asset Management Limited, Mercer (N.Z.) Limited, Russell Investments Group LLC, and Salt Investment Funds Limited, which the Trustee considers to be financial institutions of high quality. The investments are held in trust by the investment managers for the benefit of the Scheme. The managers maintain diversified investment portfolios in accordance with the portfolio mix adopted by the Trustee.

Currency Risk

As at 31 March 2023 the Scheme had \$407,908,828 (2022: \$433,854,568) invested in offshore fixed interest securities, offshore equities, offshore property, and offshore infrastructure assets which expose the Scheme to currency risks. The Harbour Asset Management Australasian Equity Fund is hedged at the manager's discretion. The First Sentier Investors Global Listed Infrastructure Fund and the Russell Investments Global Fixed Interest Fund are 100% hedged on an after tax basis. The ANZ Wholesale International Property Securities Fund is 100% hedged on a gross of tax basis. The Mercer Hedged Overseas Shares Index Portfolio is 139% hedged on a gross of tax basis. The remaining Funds are not hedged.

	2023	2022
Hedged Funds	\$'000	\$'000
ANZ Wholesale International Property Securities Fund	22,471	28,452
First Sentier Investors Global Listed Infrastructure Fund	36,454	41,763
Harbour Asset Management Australasian Equity Fund	19,288	20,673
Mercer Hedged Overseas Shares Index Portfolio	106,465	116,448
Russell Investments Global Fixed Interest Fund	120,259	124,885
Total Hedged Funds	304,937	332,221
Unhedged Funds		
ANZ Wholesale Cash Fund	42,216	45,955
ANZ Sovereign Bond Fund	12,741	12,154
ANZ High Grade Bond Fund	18,856	19,653
Direct Capital New Zealand Equities	41	385
Mercer Emerging Markets	23,706	23,945
Mercer Overseas Shares Index Portfolio	79,266	77,689
Salt Core NZ Shares Fund	19,813	19,933
Total Unhedged Funds	196,639	199,714

11 Financial Instruments (Continued)

Interest Rate Risk

The Scheme is exposed to interest rate risk in that future rate movements will affect the cash flows and the net market value of fixed interest securities. Risk management activities are undertaken by the Scheme's investment managers as part of their investing operations.

	2023 \$'000	2022 \$'000
Fixed Interest - New Zealand	73,814	77,763
Fixed Interest - Offshore	120,259	124,885
Total	194,073	202,648

Liquidity Risk

All financial assets at fair value through profit or loss can be realised within 12 months. There are no significant financial liabilities.

12 Sensitivity Analysis

A 5% increase/decrease in the value of the Scheme's investments would have a positive/adverse impact on the value of the Scheme's assets by \$25,078,809 (2022: \$26,596,739), and the Trustee has determined it is appropriate to use 5% as it shows the sensitivity to investment fluctuations.

13 Key Sources of Estimation Uncertainty

The preparation of the financial statements requires the Trustee to make estimates and assumptions that affect the amount reported in the financial statements and accompanying notes. The Trustee has used judgment in the categorisation of financial assets and liabilities at fair value through profit or loss in accordance with the fair value hierarchy under NZ IFRS 13.

14 Commitments and Contingent Liabilities

There were no contingent liabilities outstanding as at 31 March 2023 (31 March 2022: Nil). The Trustee has future capital commitments of \$1,003,911 to Direct Capital IV Management Limited (2022: \$1,020,735).

15. Related Parties

The Scheme held no direct investments in any of the FENZ companies or any of its related parties and during the year had no related party transactions except for FENZ contributions. Trustee fees and expenses for the year were \$93,903 (2022: \$82,362). The fee paid to the Licensed Independent Trustee (LIT) for the financial year was \$57,257 (2022: \$57,983). The LIT fee for this year included project work of \$14,835 (2022:\$18,000).

Directors of the Trustee that are members of the Scheme contribute on the same basis and have the same rights as other members of the Scheme.

16. Events After Balance Date

On 3 May 2023, contributions were received into the Scheme's bank account in relation to the back payment to members covered by the collective employment agreement between the NZ Professional Fighfighters Union and FENZ that was ratified on 18 December 2022.

There were no other significant events that have occurred since the balance date that require adjustment or disclosure in the financial statements.
